St Leonards on Sea

APPLICATION FOR THE BAPTISM OF AN ADULT

Thank you for your enquiry about Baptism at Christ Church. Baptism (also called Christening) is the way by which someone is brought into the life of Church and set on the path to heaven. It's a gift that is freely available to anyone who wants it, and an occasion of great joy.

Baptism is a gift that can be received at any age, however for adults, it is offered alongside the Sacrament of Confirmation which is the means by which adults are prepared for full membership of the Church by making their own vows and promises, and being prepared for Holy Communion.

Confirmations are administered by the Bishop, and so the timings for these are more limited throughout the year. Once we are advised by the Bishop's office when he is administering Confirmations, we run a group at Christ Church for all of those interested in the months beforehand.

However, we are happy to begin preparations for Baptism & Confirmation at any time – with Baptism offered either at the same time as Confirmation or on a Sunday at Christ Church in advance of the Confirmations.

Please complete the form overleaf, and then the Rector or one of the other ministers from Christ Church will be in touch to arrange a meeting and discuss the details.

If you have any issues or questions about completing the form, please contact the Rector (rector@christchurchstleonards.co.uk)

Please return this form to the parish office on enquiries@christchurchstleonards.co.uk or in person to one of the clergy or churchwardens
