

COMMUNITY AUDIT

As we approach our 150th Anniversary in 2025, at Christ Church we are carrying out a Community Audit to try to find out more of what already goes on in our parish and local community, and to see the areas where we can do more to be of service to those who live here.

To help with this, we'd be very grateful if you could fill in this short survey, with as much detail as possible, and return it to the person who gave it to you or one of the boxes provided.
